

SWINERGY'S AFL TRAINEES GRADUATE

We are pleased to announce that Swinergy's AFL trainees Chris Papakostas and Damon Arezzolo, who have been working with us for 12 months have now graduated. The graduation ceremony was held on Friday the 4th April 2008 at the MCG, Members Room.

Chris and Damon have worked very hard throughout the year at Swinergy. They have been actively involved in the day-to-day running of the Sports Centre, which consisted of a wide range of responsibilities.

Matt Hetherington, Program Leader Sport & Recreation praised their efforts, saying 'both trainees have shown great initiative working on many Swinergy projects, including participating in the Australian University Games, conducting exercise sessions with Gawith Villa (special needs groups), recreation programs, health promotions, practical refereeing, and running clubs.'

We congratulate Chris and Damon for their dedication and enthusiasm for their work at Swinergy. We wish you both the best of luck in completing your respective Dipolmas in Sport & Recreation and beyond.

Warm Regards,

Swinergy Team

(Dave Beaumont, Jo Wotton, Damon Arezzolo, Chris Papakostas, Eloise Southby-Halbish, Bron Slatter, Matt Hetherington)
